EXHIBIT CONSULTANT FOR LAW OFFICERS' HALL OF FAME

REQUEST FOR INFORMATION

The South Carolina Law Enforcement Officers Hall
of Fame (HOF) is a component of the Department
of Public Safety & is located in Columbia on the
campus of the SC Criminal Justice Academy.
Authority for the HOF is established under Section
23-25-10 of the SC Code of Laws, 1976, as
amended. Section 23-25-30 establishes the mis-
sion & purposes of the facility, which is to appro-

priately honor South Carolina law enforcement
officers who have been killed in the line of duty &
to maintain "...museum-type displays of objects &
equipment of unusual interest used by law en-
forcement officers or otherwise related to law
enforcement." Tours & related safety & educa-
tional programs shall be provided to the public.

It is the judgment of the Department of Public
Safety that the exhibits & installations in the HOF
are fundamentally sound, museum-quality & pro-
fessionally presented. They were designed & are
maintained under the supervision of the adminis-
trator of the HOF, who is professionally creden-
tialed in museum science. SCDPS does not intend
to seek an entirely new interpretation of the exhib-
its. Instead, we contemplate the judicious use of
funds available to the HOF to enhance existing
exhibits to make them more compelling & engag-
ing to the visitors to the HOF.

In summary, the HOF is intent on exploring meth-
ods & practices to better engage visitors to the
museum section of the facility. This will in turn
result in a more enjoyable & educational experi-
ence & foster increased attendance. Consultant
services will eventually be contracted to assess
the museum portion of the HOF & the auditorium
as it might be used for presentations to the public.

Consultants having expertise in this area are
encouraged to respond to this Request for Infor-
mation by January 4, 2008. SCDPS would like to
review relevant marketing information & qualifica-
tions of interested parties. This information may be
E-mailed to stevepullie@scdps.net or mailed to:
